## TSW FORMAT for INFORMATION GATHERING "Ideas that Work"

Type of Project: Abstinence

Project Name: Twelve Steps to a Slip

**Project Goal:** To understand the seriousness of slipping, but with a bit of humor

thrown in.

Organizing Service Body: SW Ontario IG, Windsor Ontario Canada, Region 5.

Contact Information: Bonnie, <u>blewsaw@gosfieldtel.com</u>

Resources Needed (budget, volunteers, materials, etc.): Access to a computer to type and print the "Twelve Steps to a Slip" (see attachment) on cardstock. The card, folded in half, is 4 1/2" wide and almost 3" in height. The front page has "Twelve Steps to a Slip", the OA symbol, the intergroup name, and the country, written on it. The back side is blank. When opened, the card is almost 4 1/2" wide and more than 5 1/2" in height.

Additional Comments (including things of which to be mindful): The IG used this as a fundraiser for their delegate (WSBC) fund, selling them for \$1 each, or 6 for \$5. A suggestion was to use this card/these twelve steps to a slip, as a discussion tool for a meeting (possibly, during Twelfth-Step-Within Day).

**Results:** An eye opener in regards to slipping. Perhaps this will help us in keeping our abstinence!

## TWELVE STEPS TO A SLIP

Every slip has a beginning. Know your danger signals.

- 1. Start missing meetings for any reason, real or imaginary.
- 2. Become critical of the methods used by other members who may not agree with you in everything.
- 3. Nurse the idea that someday, somehow, you can eat like 'normal people' again.
- 4. Let the other members do the 12th step work in your group. You are too busy.
- 5. Become conscious of your OA "seniority" and view every member with a skeptical eye.
- 6. Become so pleased with your own views of the program that you consider yourself an authority.
- 7. Start a small clique within your own group, composed of only a few members who see eye to eye with you.
- 8. Tell the new member in confidence that you yourself do not take ALL of the 12 steps seriously.
- 9. Let your mind dwell more and more on how much you are helping others, rather than on how much the OA program is helping you.
- 10. If an unfortunate member has a slip, drop them at once.
- 11. Graduate to the point of no longer needing a sponsor yourself.
- 12. Look upon a food plan as a vital thing for new members, but not for yourself. You outgrew the need for that long ago.
